James Madison's Montpelier <https://www.montpelier.org/visit/>

James Madison's Montpelier is a memorial to James Madison and the Enslaved Community, a museum of American history, and a center for constitutional education that engages the public with the enduring legacy of Madison's most powerful idea: government by the people. Spending time at Montpelier involves a fair amount of standing and walking.

Lunch at BBQ Exchange <https://www.bbqex.com/>

The Barbeque Exchange in downtown Gordonsville, VA features hickory-smoked and slow-roasted pork shoulders and spareribs. The meats are dry cured with secret ingredient rubs and then cooked in a specialized wood-burning cooker. The Chicken Halves are grilled over live coals akin to the roadside BBQ's that the Rotary, Kiwanis, and Fire departments have become famous for serving on Saturdays across the Eastern seaboard.

Civil War Exchange Hotel <https://theexchangehotelmuseum.org/>

Built in 1860, the Exchange Hotel with its high ceiling parlors and grand veranda welcomed passengers from the two rail lines: the Virginia Central Railroad and the Orange & Alexandria Railroad.

Culpeper Museum <https://culpepermuseum.com/visitthemuseum/>

A nonprofit 501(c)(3) organization that collects, preserves, interprets, and promotes the history of Culpeper from the Triassic Period 215 million years ago to present-day Culpeper, by engaging diverse audiences and educating visitors using our collections of objects and photographs in exhibits and programs, and to create an increased understanding of the significant historical events that occurred locally and formed the community.

Belmont Farms Distillery <https://www.belmontfarmdistillery.com/home>

Tour and enjoy lunch. For more than four centuries our forefathers have been producing fresh whiskey in the hills of Virginia. Now, for the last 30 years, this once elusive drink is available for all to enjoy. Until 30 years ago, whiskey for popular consumption, had been made in column stills, handling thousands of gallons per hour. Only at Belmont Farm, our whiskey is produced in a genuine solid copper pot still. While others may be flooding the market, our pot still whiskey is slow and handled with care, to preserve all the aroma and taste of a fine fresh whiskey. Our copper pot still is truly the secret of our whiskey.

After lunch, back to the hotel or return home if you choose! Or take a casual Sunday ride home!

Your \$75 per person fee includes admission to Montpelier, Civil War Exchange, and pizza party. You will need \$5.00 for the Culpeper Museum and Belmont is free.
